

Self-Picks Instructions

1

Scan the Exhibition QR Code

- Select your preferred language.
- Enter your company name, full name, and email address.
- **Allow camera access** to activate the QR code scanner.

2

Scan the Product QR Code

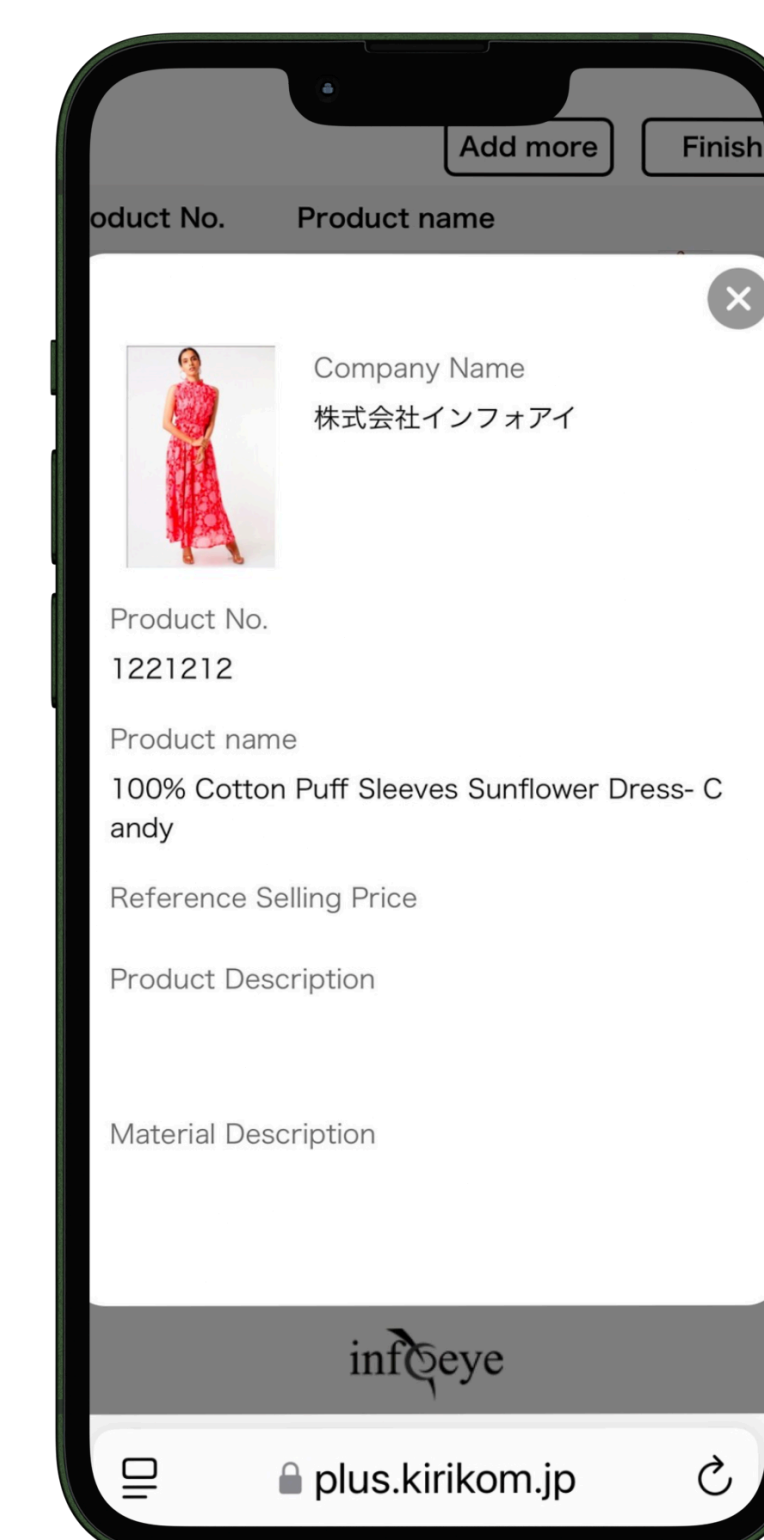

- Scan the QR code of the product you want to pick up.
- Once the light turns green, the scan is successful.

3

After Picking Up

- Tap "Pickup List" to see the list of selected products.
- Tap a product to view its details, including item numbers and specifications.

4

Finish Up

- Click the finish button to complete the pickup process.
- A PDF of your pickup list will be emailed to you by the exhibitor later.
